Specification

|                    |                                     |
|--------------------|-------------------------------------|
| Product Name       | Sense                               |
| Pile Construction  | Texture Multi-Level Loop            |
| Tufted Yarn Weight | 520g/m²                             |
| Face Yarn Type     | 100% Bulk Continuous Filament Fiber |
| Dye Method         | 100% Solution Dyed                  |
| Machine Gauge      | 1/12                                |
| Primary Backing    | Polyester Premium Fabric            |
| Secondary Backing  | PVC with Fibreglass                 |
| Pile Thickness     | 3.5mm ± 0.5                         |
| Total Thickness    | 5.5mm ± 0.5                         |
| Tile Size          | 50cm x 50cm                         |

Performance Test

|                            |   |
|----------------------------|---|
| Flammability               | Pass GB 8624-2006<br>Pass GB/T 14768-93                                     |
| Smoke Density              | Pass ASTM E-662 <=450 DMC<br>Pass GB 8624-2006                              |
| Static Generation          | Pass AATCC-134<br>Pass GB/T 18044-2000                                      |
| Colourfastness to Water    | Pass AATCC-16E<br>Pass Grade 4/5 ISO 105-X12<br>Pass BS EN ISO 105 E01:1996 |
| Colourfastness to Light    | Pass AATCC-16E<br>Pass Grade 5 ISO B02:1994E<br>Pass BS EN ISO 105 B02:1999 |
| Colourfastness to Crocking | Pass BS EN ISO 105-X12:2002   |
| Tensile Strength Test      | Pass ISO 13934-1<br>Warp 3112.9   |

Disclaimer

- This carpet is manufactured and sold for floorcovering use only.
- As with all carpets, colours are subject to dye lot variations.
- All carpet specifications reflect averages derived from product sample testing, are subject to normal manufacturing and testing tolerances and inherent pattern variances, and may be changed without notice.
- “Tufted Pile Weight” refers to total input weight of yarn used in tufting process, and processes such as tufting, shearing and carving will result in a lower finished yarn weight in purchased carpets.
